FOR IMMEDIATE RELEASE

Officers of Command and General Staff College to Visit Maryville

About 20 students from the Command and General Staff College in Fort Leavenworth Kansas will again be making the trip to Maryville to meet local leaders and share their experiences. According to the college:

“The purpose of our visit is to share the military story and provide community service. In meeting with community leaders, we hope to share our experiences, learn from their leadership experiences and learn about their concerns. We all come from communities like Maryville so we find it important to stay involved and interact with our communities as often as possible.”

All the students making the trip are officers, and all are veterans of recent conflicts in Iraq, Kosovo, and Afghanistan.

You are invited to a press conference on Friday, October 30, 2009 from 2:00 - 3:00 PM in the Simulation Room at the Armory National Guard, located at 1407 N. Country Club Road in Maryville.
