CUSTOMER SERVICE WEEK NOMINATION FORM

Customer Service Week is an annual event celebrated nation-wide in the first week of October of each year since it was first recognized by President George H. W. Bush in 1992. Participating businesses recognize the importance of customer service and honor the people who serve and support customers with the highest degree of care and professionalism.

Locally, the Greater Maryville Chamber of Commerce Ambassadors recognize that great customer service experiences not only create lasting relationships between businesses and their customers, but also build lasting impressions of our whole community.
