## “FAIR SHARE” INVESTMENT GUIDELINES

Thank you for considering membership to the Greater Maryville Chamber of Commerce. A membership application can be found on the next page, and Fair Share Investment Guidelines are explained below. To get started as a Chamber member, please return a completed application along with your membership payment to our office at: 423 North Market, Maryville, MO 64468.

The Greater Maryville Chamber of Commerce has designed a program to ensure equitable financial participation by all Chamber members. Your business' Fair Share financial contribution is determined in formulas devised by fellow Chamber members and the Board of Directors. The Greater Maryville Chamber of Commerce is a 501(c)6 non-profit—your contribution is deductible as a business expense.

If you are viewing this document in electronic format (PDF), note that the next page features auto-fill functionality to simplify the calculations. If you need further assistance in computing your membership rate, call the Chamber office at 660-582-8643 or contact us by e-mail at [chamber@asde.net](mailto:chamber@asde.net).

### My Fair Share is:

<sup>1</sup> An "employee" includes full-time, part-time, owner, and managers. A part-time employee is anyone working under 35 hours a week. Two part-time employees equal one full time employee.

<sup>2</sup> Do not include the principal in a home-based business on either line.
